

Farber Specialty Vehicles
sells more than **one-third**
of all bookmobiles made
in North America.

We are dedicated to developing bookmobiles that are distinctive and innovative, using the latest and most advanced technologies.

We offer a full line of bookmobiles in order to satisfy the diverse needs of our customers. The Farber Coach and Farber ELF bookmobiles are designed and built from the ground up in our Columbus plant. Other models include the traditional walk-in style Venture and Workhorses; the cutaway style C5500 and Super Duty bookmobiles. The Sprinter van and Farber Bookhailer round out our bookmobile family.
