

John Philip Award Committee Rules of Conduct

1. The committee chairperson and members shall serve for one year only. This is to insure a fresh look at nominations each year without the influence of past nominations.
2. All nominations shall remain private. The committee will not divulge the names or any other information about the nominees. This is to avoid any hurt feelings of those nominated but not selected. Nomination forms of those not selected will be destroyed.
3. The recipient will receive the award at the Annual ABOS Conference. They will not be notified ahead of time unless there are extenuating circumstances, such as an illness, that would keep them from attending.
4. Committee members are not eligible to apply for the John Philip Award during their tenure on the committee.

Created June 2007
Revised September 2009
