

I read that the new Warren County Library Bookmobile will be displayed at the Fair next week. I don't know if there is an interest in offering a fold-up version similar to the ALA one offered earlier this year. This is in color and uses a scan of the library's magnet and photos to represent the Bookmobile exterior.

Cut up to here. Fold tab in behind bookmobile rear.

How to make your own Bookmobile

1. Color your bookmobile
2. Cut out around the outside border along the solid lines; note special cuts around the hood / engine area
3. Fold along dashed lines
4. Fold and tuck tabs
5. Glue or tape tabs

Fold in this tab and place behind passenger side of bookmobile.
